

Sarawak Energy

1. Self-Introduction

- List down roughly 3 main points you want them to know about yourself.
- My 3 points: Why am I interested in EE. My high school KK achievements. Why do I wanna pursue overseas studies under SEB.

#Your Key Selling Point

2. Describe a time when you solved a conflict

- Be genuine and honest here, they can tell if you're making things up

#Gauging your maturity and teamwork skills

3. Imagine you're leading a team under SEB to build a generator in a rural area, you and your team are confronted by a local tribe keeping your team's advancements, what would you do and why?

- Try to actually imagine yourself in that situation. Remember, communication is always the key, so revolve your answer around effective communication between 2 parties

Gauging your leadership skills and critical thinking skills

4. If an elephant suddenly appears in your backyard, what would you do?

- There's no right or wrong answer to this question. Be as realistic as possible in your answers

#Gauging your ability to stay rational under sudden situations

5. On a scale of 1 to 10, 1 being the lowest, 10 being the highest, how much would you rate yourself and why?

- Try to be humble but do not undermine yourself. They are looking for an honest and reflective individual who's not afraid of being transparent with others about their own shortcomings, and at the same time conscious about their own strengths.

6. Describe a challenge you have faced and how you overcame it.

Tips: Choose a significant challenge and focus on the actions you took to overcome it and the lessons you learned. Highlight your resilience, problem-solving skills, and determination.

7. What will you do if you don't receive this scholarship?

Tips: Show your determination by discussing your backup plans. Mention other scholarships you are applying for, your willingness to work part-time, or any other strategies you have to fund your education.

8. Generally, if your response was interesting to them, they'll prompt you a few follow-up questions. I got asked:

- **What is your take in mental health?**

(Cuz, I talked about how I balance between studies and KK while making sure I still get to play around to keep a healthy mental state)

- **If you were the new Minister of Health, what would you do differently from the current Minister of Health?**

(Cuz, I talked about my experiences as a First Aider under St John Ambulance)

#Gauging your honesty and ability to handle sudden situations

9. Reasons for you to apply for this scholarship

10. Why do you deserve this scholarship?

11. Why do you choose this field of study?

12. How have you demonstrated leadership
